'Ace of Cakes' visits Ravens

A large black-feathered Ravens cake (pictured) sat at the entrance of the Ravens' dining area Friday.

The creation was a combined effort of defensive tackle Haloti Ngata and Chef Duff, the star of Food Network's *Ace of Cakes* and owner of Charm City Cakes in Baltimore.

Ngata spent a couple of hours on his day off this week to help on the feathers and color of the cake.

"It looks pretty cool," Ngata said while looking at his work.

The episode is expected to air on the Food Network in the spring.
